

SUPPLIES FOR SUCCESS

Each year, as September comes around, hundreds of children excitedly line up for that bus ride back to the first day of school. They go with the excitement of a new grade, new class, or perhaps a new teacher. Loaded in their backpacks are the supplies that each teacher has requested that they provide for the year. It is such a time of hope and fresh beginning. For some children, however, their families find it an extreme financial hardship and have difficulty providing the supplies.

My name is Adam Pamel, I'm a member of Boy Scout Troop 24. For my Eagle Scout leadership project I would like to organize a way for the community to supply needy children in grades K-2 with basic school supplies that they can not afford. These supplies would include pencils, pens, markers, scissors, glue, glue sticks, colored pencils, 2 pocket folders, wide ruled composition books and other basic supplies as well as trying to get a hold of some gently used backpacks or lunch sacks.

WAYS YOU CAN HELP

LOOK FOR GREEN AND YELLOW BOXES THAT WILL BE IN VARIOUS AREA BUSINESSES OR COMMUNITY LOCATIONS, AND BUY AN EXTRA SCHOOL SUPPLY TO PUT IN IT.

I'D LIKE TO SEE EVERY CHILD IN GRADES K-2 GO TO SCHOOL IN SEPTEMBER WITH ALL THE SUPPLIES THAT THEY WILL NEED TO BE SUCCESSFUL STUDENTS.
