REALIZE THE POWER

To the neighbors of Carol Schmooch and Ken Jupiter,

I am writing this letter to inform you of our plans to install a wind turbine at 381 Mount Pleasant Rd. Although the turbine will be installed well within our clients' property boundaries, it will be mounted atop a 120 foot-tall tower, and as such, may be visible to you. Therefore, the New York State Energy Research and Development Authority (NYSERDA) has asked us to notify you of these plans in an effort to maintain good neighbor relations and to give you an opportunity to voice any concerns you may have now. If you don't have any objections to this installation, please sign this letter below and return it to:

Renovus Energy Inc

Attn: Dan Roy

Should you have any questions or concerns about this project, please feel free to contact me at (607) 277-1777 or send email to: dan@renovusenergy.com, and I will be happy to answer them for you. Thank you for your help with this matter.

Sincerely,

Daniel R. Roy
