

DRYDEN VOTERS - THANK YOU!!!

Thank you to everyone that supported me in the Town Supervisor race. So many people did so much - from having faith in me, endorsing me as the candidate, signing petitions, hosting yard signs, attending Meet-the-Candidates forums, writing letters of support, and most importantly, voting! It was a close race and the opposition went into it thinking they would have an easy win. Thanks to all of you that voted on either the Republican or All the People lines on the ballot and for making it a fight to the finish. It once again show the importance of every vote - remember that voting costs you nothing, not voting can cost you everything!

I appreciate everyone's efforts, but I would be remiss to not say a special thank you to:

Amos - My husband, my chauffeur, and my "sign guy" and who finds it difficult to understand why I enjoy politics, but supports and encourages me, anyway

Brent Nelson - My son, for help with signs, rallying at Rt. 13 & Rt. 366, for speaking his mind when confronted and provoked by the Democrat Committee Chairperson, and the the letter to the Ithaca Journal questioning the manipulation of the Democrat candidates
