Congressman Sherwood Boehlert
45 Church Street
Cortland, NY 13045

Dear Congressman Boehlert,

I have seen articles in a number of papers in your district outlining the funds for infrastructure improvement that are included in the Transportation Equity Act. I haven't seen anything listing what this bill does for Tompkins County, including the Town of Dryden, the part of your district where I live.

Your web site's press release describes \$50 million for the 24th Congressional District, but I'd appreciate more detail. Please let me know what in the bill will apply to Tompkins County and particularly to Dryden.

Thank you very much,

Simon St.Laurent
